4720. SHRI S.S. AHLUWALIA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the details of the financial assistance, showing grants and credit separately provided by the World Bank for implementing National AIDS Control Programme during the Ninth and Tenth Five Year Plans, including terms and conditions, if any, from the Bank;

(b) the details of funds actually utilised, so far;

(c) the details of items under the programme allowed to be funded including those to receive priority focus;

(d) status of implementation thereof as on date State-wise;

(e) the target fixed, if any, for modernisation of blood banks, setting up of blood testing centres, district-wise, in particular; and

(f) the status of implementation thereof?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) The National AIDS Control Project Phase-II is a 100% centrally sponsored scheme, is being implemented all over the country through State AIDS Control Societies

with assistance from World Bank. The total credit committed by the World Bank for the project is Rs. 1155 crore to be met initially from Government of India Budget and about 85% of the total expenditure will be credited by the World Bank (IDA). The remaining 15% will be treated as domestic budgetary support. Thus, against Rs. 1155 crores, reimbursement amounting to Rs. 959 crores (US$191 million) will be credited to Government of India by the World Bank. the Project period for World Bank assisted NACP-II from 1999-2000 and it has been extended upto 31st March, 2006.

Withdrawal of funds from the World Bank (IDA) Credit account is through the submission of reimbursement claims on the basis of actual expenditure incurred by National AIDS Control Organisation as well as each State AIDS Control Society and other agencies implementing this project.

The position of utilization of funds against the approved outlay for World Bank assisted portion of National AIDS Control Project-Phase II during the project period which covers part of both the 9th and 10th Plan period is as under:

(Rs. in crores)

Year	Provision	Utilisation
1999-2000	134.50	129.75
2000-2001	162.78	162.75
2001-2002	185.00	187.72
2002-2003	200.50	199.73
2003-2004	187.15	186.06
2004-2005	309.00	306.45

(c) and (d) A statement indicating details of items funded under the programme and the status of implementation is enclosed (*See* below).

(e) and (f) The annual plan target is fixed for the states by National AIDS Control Organisation and districtwise targets are fixed by the State AIDS Control Societies. Instructions have been given to all the States/UTs to set up at least one facility for VCTC, PPTCT or VCTC-cum-PPTCT, STD clinic, blood bank in every district. So far 732 VCTCs, 736 STD clinics, 307 PPTCT centres, 582 district blood banks have been set up.
